# THE DIVINE DIRECTORS

*You have now Arrived at the borderlands...the vast valley between the perception of sanity and the freedom of Illumination.*

*There is a divine recognition that arises from within as you enter the borderlands of perception and awareness simultaneously.*

*It is the recognition that you have fully anchored into the Ninth dimensional frequencies that assist to release further the ties to density that seek to stall your fully empowered state of presence.*

*That piece of the belief-systems, the ego, the "identity", for it has no name, the presence that arises and radiates through steadfast commitment, focused awareness and complete trust.*

*These three aspects of the journey each call forward 3 other aspects of each other as they open a framework of support that exists as a bridge and a "lifeline" to the parallels.*

*This framework is the experience of the Oneness through the illuminated presence of the Allness.*

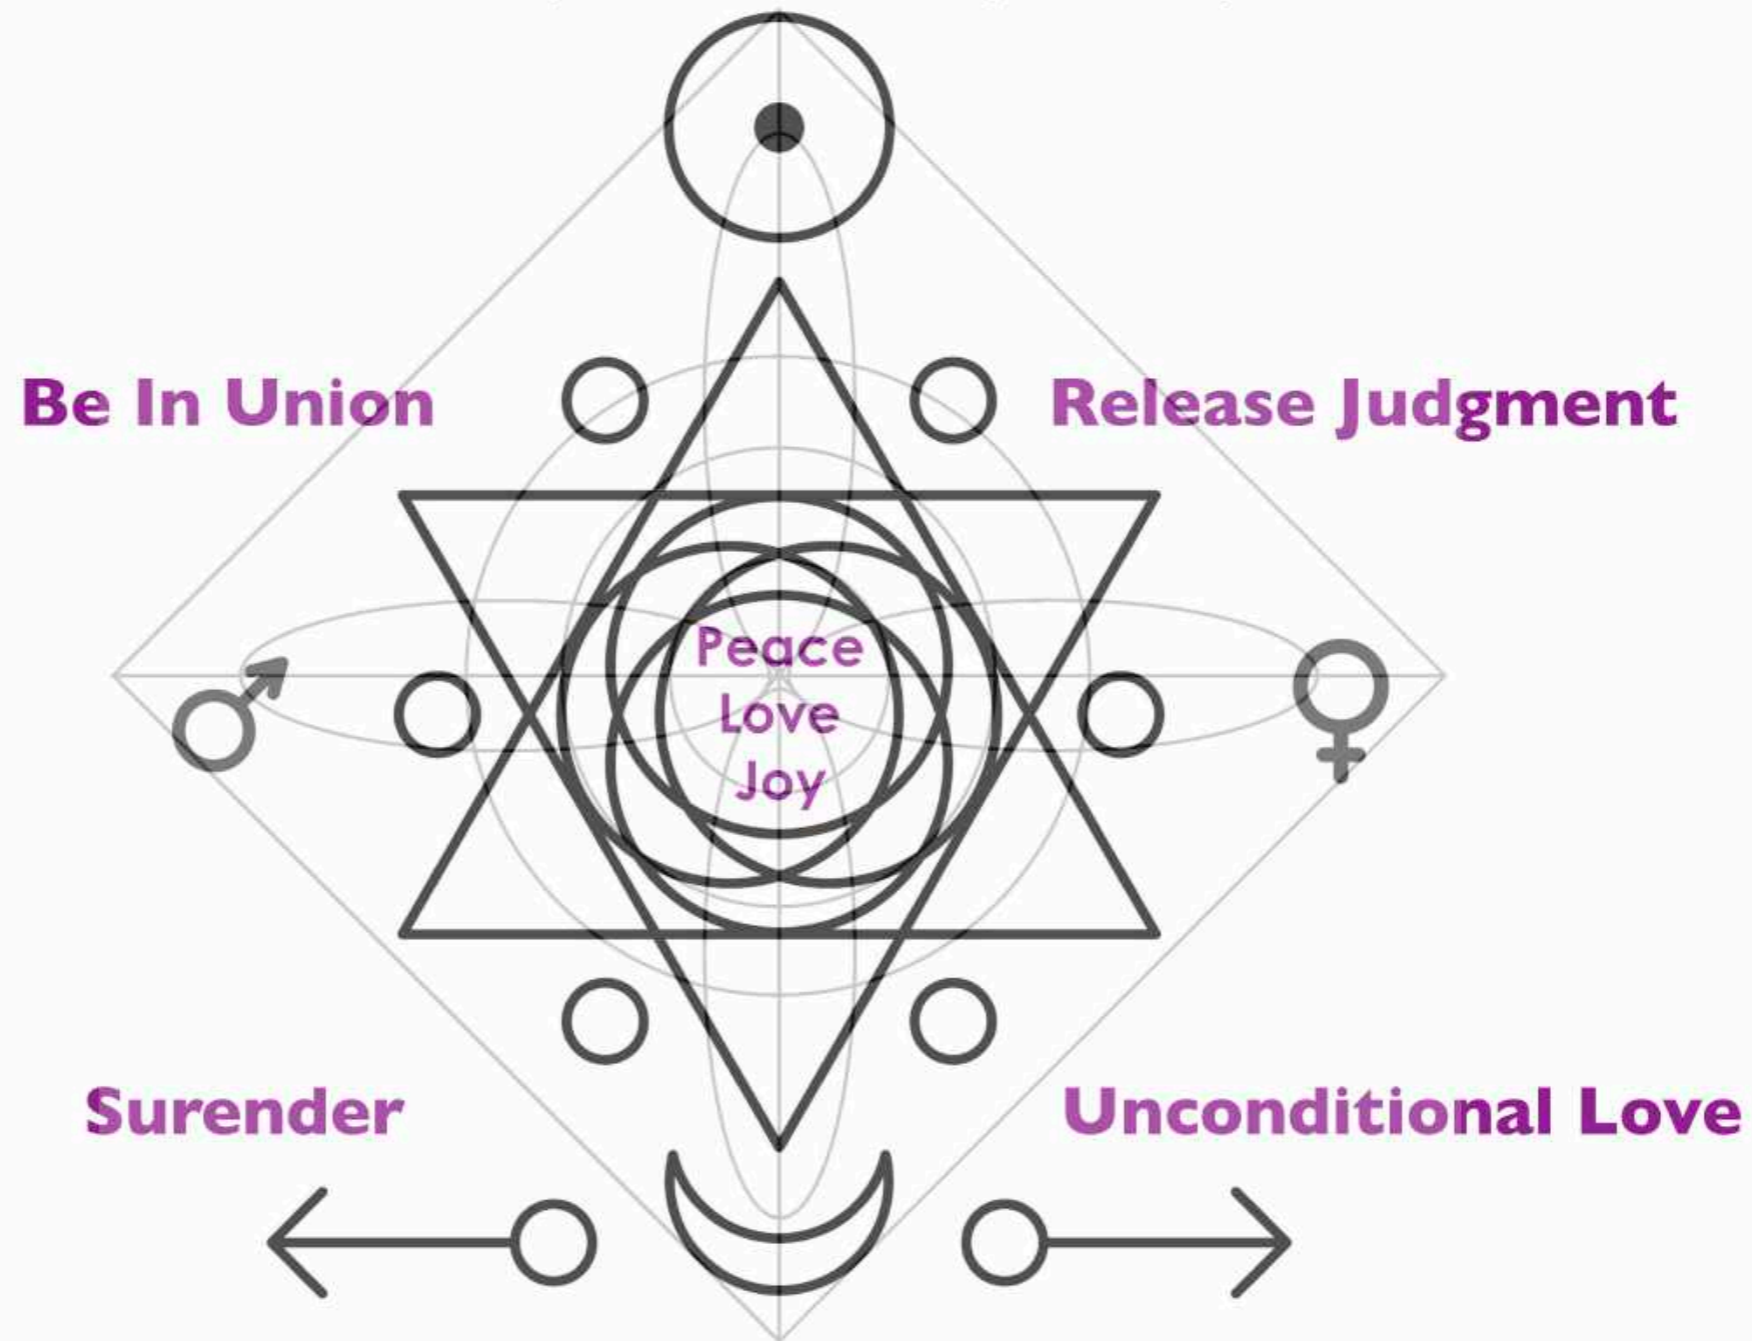

*Super Full Moon Influence facilitates Strengthening of  
Cosmic Prime Meridian Energy Sustaining 7th Dimensional frequency and more!*
